

Quantum Mechanics on Stage

Wednesday 1st February 19:00

Join us for this popular annual event staged by students to explain all you really need to know about the peculiarities of quantum physics - and some!

Dr Simon Foster and students from the Controlled Quantum Dynamics Group, Imperial College London

VENUE: Lecture Theatre 1, SAF Building, South Kensington Campus, Imperial College London

TICKETS: Members of Friends £5, Member's Guests £10, Imperial Students £3, Imperial Staff £5, Non-Members £12 - Members of the public are welcome.

A number of complimentary tickets are available for GCSE and A-level students. To apply contact admin@friendsofimperialcollege.org.uk with student names and numbers of tickets required.
